1 HANDWRITTEN NOTES

Send that Card – through your phone! Hey! It would be great to send a handwritten card from your phone. Right? Well, now you can. People still enjoy receiving small mail so being able to pick a card, write a “handwritten” message, even add a picture, then have it printed out and mailed all for \$3 is awesome. Happy Birthday, Get Well Soon, Miss You. Any excuse to send a card is a good one. Make someone happy today, [feltapp.com](#). Starting at \$3.

2 HAND PUPPETS!

These 100% organic puppets and stuffed animal toys are handmade using reclaimed wool. Enjoy already made puppets and stuffed animals, or build your own with a special maker’s kit. Whatever you decide, Cate & Levi is always one-of-a-kind. [cateandlevi.com](#). Hand Puppets \$24.99. Make your own with Maker’s Kit, \$19.99.

3 STORYTELLING

Some of the best storytellers in a family are usually a grandparent(s) along with great grandparents, too, but when it comes to recording family stories many families don’t know where to start. We want to introduce you to StoryWorth, which helps families record their stories through weekly emails with questions you’ve never thought to ask. The emails become a beautiful hardcover book at the end of a year! [storyworth.com](#). \$79. Enter to win @ [suburbanparent.com](#).

4 USING SONGS TO LEARN

In an App! Toddlers and Preschoolers can learn ABCs, phonics, numbers, nursery rhymes, animals, fruits, vegetables, shapes, vehicles, and much more with the help of 575+ interactive songs, stories, activities and games. It is learning with total fun. [kidliand.com](#), \$24.99/6 mos, \$39.99/yr. Enter to win @ [suburbanparent.com](#).

5 POP ART

Are they bibs or mini capes for the front of your little superhero? Who cares, they’re super cute! Hand printed to order with super vibrant colors that will not fade from regular washing and drying. Super Babies until! [psychobabyonline.com](#), \$24.
